LIQUIDATION PREFERENCES

Series A & B: 1x non-participating — holders receive the greater of their preference or as-converted value.

Series C: 1x participating — holders receive their preference and then share pro rata in remaining proceeds with common.

Seniority: Series C > Series B > Series A > Common.

NOTES

(1) Warrant issued to Silicon Valley Bank in connection with a 2022 venture debt facility; exercisable for 200,000 shares of Series B Preferred at \$3.00 per share. Not yet exercised.

Founder common stock vested in full; original 48-month schedule with 12-month cliff commenced January 1, 2018.

Option pool of 4,000,000 shares reserved under the 2019 Stock Plan; balance currently unallocated.
