FOOTNOTES

Founders. Common stock held by Ravi Anand and Mia Larsson vests over 48 months with a 12-month cliff from the February 1, 2022 vesting commencement date; purchased at \$0.0001 par value.

Series A Preferred. Cascade Ventures holds Series A Preferred at \$1.50 per share with a 1x non-participating liquidation preference and a 1:1 conversion ratio.

Options & RSUs. Grace Kim's option (strike \$0.30) and Omar Haddad's RSU award both vest over 48 months with a 12-month cliff from their respective grant dates (May 15, 2024 and September 1, 2024). Granted from the 1,000,000-share pool; 650,000 shares remain unallocated.

Warrant. Frontier Venture Debt holds a warrant for 150,000 shares of Series A Preferred at a \$1.50 exercise price, issued with a 2024 loan facility; unexercised.

[†] **Convertibles.** Skyline Angels' SAFE (\$500,000; \$6M post-money cap) and Bridgewater Capital's convertible note (\$750,000; 8% interest, 20% discount, \$8M cap) remain outstanding and convert at the next qualified financing. They carry no liquidation preference until conversion and are excluded from the share totals above.
