Reconciliation Comments	Primary reliance on Sales Comparison Approach. Comparable 2 required larger adjustments and is given less weight. Comparables 1 and 3 provide the strongest indication of value. The contract price of \$289,900 is below the appraised value of \$295,000, supporting the transaction. No FHA Minimum Property Requirement (MPR) repairs are required. The property is eligible for FHA financing as-is. The appraised value of \$295,000 is the lesser of market value and the 110% FHA geographic loan limit, and represents the maximum insurable mortgage base for this property.
