PROJECT SUMMARY

This estimate covers the design, development, testing, and deployment of a **custom Property Management System (PMS)** for Lakeview Hospitality Group's portfolio of 6 boutique hotels across BC. The system includes a central reservation engine, channel manager integration (Booking.com, Expedia, Airbnb), housekeeping workflow module, billing & invoicing, and a real-time analytics dashboard. All work is performed under a fixed-scope contract.

WORK BREAKDOWN & PRICING

MODULE / DELIVERABLE	UNIT	HOURS	RATE (CAD)	TOTAL (CAD)

Finance Billing, Invoicing & Payment Processing Folio management, Stripe Connect integration, receipt generation	Fixed	36	\$175	\$6,300
Analytics Dashboard & Reporting Suite Occupancy, RevPAR, ADR metrics; exportable reports; multi-property view	Sprint	28	\$165	\$4,620
Delivery QA Testing, Deployment & Staff Training Full regression testing, production deploy on AWS, 2-day onsite training	Fixed	40	\$147	\$5,880

Subtotal (ex. HST) \$49,000

HST @ 13% (ON) \$6,370

TOTAL INC. HST \$55,370

Fixed-price estimate · base amount ex. tax: CAD \$49,000

TERMS

PAYMENT SCHEDULE 30% on contract signing, 40% at beta delivery, 30% on go-live. Net 15 on each invoice. EFT or corporate cheque.	WARRANTY & SUPPORT 90-day post-launch bug-fix warranty included. Optional annual support retainer available (quoted separately).
IP OWNERSHIP Client owns all custom code upon final payment. Open-source components remain under their respective licences. Third-party API licences billed at cost.	ACCEPTANCE Return signed estimate by February 27, 2025. After expiry, pricing is subject to revision. Signed SOW required before work commences.

MODULE DETAILS

1. Reservation Engine & Front Desk

- Multi-property room inventory with rate plan management and dynamic pricing rules
- Guest profile management with stay history, preferences and communication log
- Check-in / check-out wizard with ID capture and digital signature support
- Group booking and corporate account management
- Automated pre-arrival and post-stay email triggers

2. Channel Manager & OTA Integration

- Bi-directional rate & availability sync via SiteMinder XML API (certified)
- Booking.com, Expedia Partner Central, and Airbnb for Work connectivity
- Booking ingestion with automatic folio creation and guest notification
- Conflict detection and inventory guardrails to prevent overbooking

3. Billing & Payment Processing

- Folio management with add-ons, split billing and corporate account billing
- Stripe Connect for card-present and card-not-present transactions
- HST/GST/PST compliant receipts with configurable tax zones per province
- Accounts receivable ageing report and automated payment reminders
