FOOTNOTES

(1) Founder common stock is subject to a 4-year (48-month) vesting schedule with a 12-month cliff, commencing on the June 1, 2022 vesting start date. Unvested shares are subject to repurchase at cost.

(2) SAFEs (Simple Agreements for Future Equity) are outstanding and convert into preferred stock upon the next qualified equity financing. They carry no liquidation preference until conversion and are excluded from outstanding and fully-diluted share counts above. Aggregate SAFE proceeds: \$450,000.
